

Not An Age For Weaklings—

Nation Demands Men of Blood and Iron

Physician says Iron is Absolutely Essential to Greatest Development of Physical and Mental Power

How "Organic Iron—Nuxated Iron—Helps Put Renewed Vim and Energy Into the Veins of the Weak, Run-Down, Infirm and Aged Often Increases Their Strength in Two Weeks' Time.

This is not an age for weaklings—wartime methods of living have raised the physical standards of the nation. So many modern men and women have more iron in their blood today as a result of eating coarse foods and living in the open that their vigorous health and untiring energy are in sharp contrast to the weak, run-down condition of those whose blood is literally starving for want of iron. To possess the power, energy and endurance that we must keep the blood rich in strength-giving iron, and unless sufficient iron is obtained from our foods it must be supplied in some form which is easily absorbed and assimilated by the system. For this purpose physicians below explain why they prescribe organic iron—Nuxated Iron—by enriching the blood and creating thousands of new red blood cells, often quickly transforming the flabby flesh, toneless tissues and pallid cheeks of weak, anemic men and women into a glow of health. It increases the strength of delicate, nervous, run-down folks in two weeks' time in many instances.

In commenting upon the probability of building up a stronger race of people by increasing the supply of iron in the blood, Dr. George L. Baker, formerly physician and surgeon, Monmouth Memorial hospital of New Jersey, says:

"Iron is absolutely necessary to change food into living tissue, muscle and brain. Refined foods and modern methods of cooking have robbed us of much of the iron which Nature intended we should receive and there is no doubt in my mind that the coarse foods of war-time, with their greater percentage of strength-giving iron, have materially aided in building up a stronger race of people. But unless this iron is obtained

It Is the Iron-Blooded Men Who Master the Racking Nerve Jobs—While the Hand of Fate Ruthlessly Pushes Aside The Weaklings Whose Blood Is Starving For Want of Iron

from our food it must be supplied in some form that is easily assimilated if we want to possess power, energy and endurance. For supplying this deficiency and increasing the red blood corpuscles, I know of nothing more effective than organic iron—Nuxated Iron. From a careful examination of the formula and my own tests of Nuxated Iron, I am convinced that it is a preparation which any physician can take himself or prescribe for his patients with the utmost confidence of obtaining highly beneficial and satisfactory results.

Dr. James Francis Sullivan, formerly physician of Bellevue hospital (outdoor dept.), New York, and the Westchester County hospital, says: "Thousands are held back in life for want of sufficient iron in the blood. A weak body means a weakened brain, weak nerve force means weakened will power, and like the race horse beaten by a more capable man or woman falls just short of winning because they don't back up their mentality with the physical strength and energy which come from having plenty of iron in the blood. That reliable two-cent bottle of dependency, that dizzy, fearful feeling—these are the sort of signals nature gives to tired, listless folks when the blood is clamoring for strength-giving iron—more iron to restore the health by enriching the blood and creating thousands of new red blood cells.

"Therefore, I strongly advise those who feel the need of a strength and blood builder to get a physician's prescription for organic iron—Nuxated Iron

—or if you don't want to go to this trouble, then purchase only Nuxated Iron in its original packages and see that this particular name (Nuxated Iron) appears on the package.

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper form.

MANUFACTURER'S NOTE: Nuxated Iron recommended above is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not irritate the stomach, does not blacken the teeth, and the manufacturer guarantees successful and entirely satisfactory results every purchaser or they will refund your money. It is dispensed in this city by West Pharmacy, Balder's Pharmacy and all other druggists.

Parent-Teacher Associations Have Raised \$1,000. More Money Needed.

Approximately \$1,000 will be available for the use of the parent-teacher organizations in furnishing free school books to needy children when all of the individual school organizations have reported and the final total of available funds is made. This sum, it is thought, will be adequate to cover the immediate needs of the school children and although no plans have been formulated further efforts could easily be put forth to increase this sum if it is necessary.

With funds secured by private donations through the efforts of the individual school organizations and money secured by the fair, about \$800 has already been reported. With the 10 percent of the total fund raised by the parent-teacher organization which Hardwig Park, president of the board of education, has pledged the fund will approximate \$1,000.

The donations to this fund, both large and small, are being received from day to day. One of the most recent donations was received Tuesday morning by Prof. Wharton S. Jones, superintendent of schools. One dollar was handed to Prof. Jones by a member of the police department with the request that it be used to buy a book for some needy child. This spirit has pervaded the campaign for the fund and has tended to encourage the women who have undertaken this plan for the relief of those children whose parents are unable to purchase books for them.

Under the new plan children will be relieved of the embarrassment which they heretofore had to undergo to get their books. In the future the children will apply to their teachers. The case will be investigated by the teacher, the principal of the school and a member of the parent-teacher organization and the books furnished wherever the case is found to be worthy.

A grant made by the city for the purchase of books has been made available and the work will be continued until all of the needy children are taken care of.

LUMBER INSPECTION COURSE IS POPULAR
The course in lumber inspection, which was installed in the Crockett Vocational high school at the behest of H. J. M. Jorgensen, president of the Lumbermen's club of Memphis, is proving extremely popular with a large number of young lumbermen enrolled. Fleming Brown, an inspector employed at the Memphis Bar Mill company, has been retained as instructor and is holding classes every Tuesday and Wednesday evening from 7:30 to 9:30 o'clock. The class is open to all who desire to take instruction, and there is still room for many others.

APPLICATION IS MADE FOR PLANE COMPANY
YAZOO CITY, Miss., Sept. 20. (Sp.)—Application has been made to the state of Mississippi for a charter for its first all-company charter for its first general transportation business besides dealing in airplanes and parts and instruction in flying. And one of the incorporators of the proposed company is a woman, Mrs. Ruth Morrison, of Shelby, Miss. Associated with her is Scott Morrison, also of Shelby, Miss., and Ed R. Hill, of Cleveland, Miss. The capital stock is given as \$5,000.

The purpose for which the Delta aerial company is created, reads the charter, is that of owning and operating an aerial passenger service and freight lines of air route in this and other states and territories. Besides the passengers for hire, carry freight and other materials that might be connected with carrying on the business of the selling of airplanes and parts through contract with other manufacturers to carry on the business of instruction for the purpose of teaching aeronautics and a general knowledge of flying.

BETTER BREAD CONTEST PRIZES GIVEN AT RIPLEY
RIPLEY, Miss., Sept. 20. (Sp.)—Following are the names of the prize winners in the "better bread contest" held at the Ripley high school building. Class A. Sweepstakes—Miss Evelyn Kelly, best loaf of bread; best muffin, Miss O. Keith; best biscuit, Miss Lora Mitchell. Class B. Sweepstakes—Miss Ida White, best loaf of bread; best biscuit and best muffin, Miss O. Keith. Class C. Sweepstakes—Miss Lora Mitchell, best loaf of bread; Mrs. L. E. White, best biscuit; Mrs. H. W. White, best muffin. Miss Lora Mitchell.

The winners in each of the three above classes will be given a free trip to the Mississippi-Alabama fair to be held at Meridian, Miss., Sept. 29 to Oct. 4, where they will compete for valuable prizes. The contest was held under the direction of Miss Sarah Craig, home economics agent.

BELIEVE BONES FOUND ARE THOSE OF SMALL BOY
SCRANTON, Pa., Sept. 20. (Sp.)—Efforts have been made today to confirm the belief that the bones of a child found yesterday on a farm near Greely, Pike county, were those of a 4-year-old James Douglas Glass, who mysteriously disappeared in May 1918, while playing with his parents at Greely.

The bones, which were found a mile or so from where the boy was last seen, were identified by Dr. G. T. Rodham as those of a 4-year-old child. No other bones have ever been found in that section of Pike county, and Dr. Rodham is convinced that the bones are those of young Glass.

TRANSPORT INSTRUCTOR TO STATE UNIVERSITY
WASHINGTON, Sept. 20. (Sp.)—Major Alexander Wilson, assistant chief of the motor transport corps at Pullman, has been assigned as instructor of the reserve officers' training corps, motor transport section. To be established at the University of Tennessee, Knoxville. It is anticipated this will be the only motor transport section established at any of the schools and colleges in Tennessee, but if others are organized the one at Knoxville will be considered the base. Major Wilson is a regular officer, and recently returned from overseas, where he served with the American expeditionary force.

BOY KILLS PLAYMATE WITH RIFLE IN FUN
JACKSON, Miss., Sept. 20. (Sp.)—Carl Davis, the 10-year-old son of W. C. Davis, former assistant chief of police, was accidentally shot and killed here late Monday by his playmate, C. O. Bowman, Jr., with the rifle of the latter's father.

The boys were of the same age. The accident happened at the Bowman home after the boys had come from school. Mr. Bowman in an adjoining room, heard Carl Davis say, "point that at me," and says this was followed immediately by the report of the rifle. Davis died before a doctor could be summoned.

Another King To Pay Visit To U.S.

THE KING OF SIAM.
This is going to be a good year for royalty in the United States. Along with the expected arrival of the prince of Wales and the king and queen of Belgium, comes the word that the king of Siam will arrive in this country some time in the early spring. His majesty will make a tour of the allied countries and will have as his escort diplomatic officers and representatives of the Siamese army and navy.

DORM TORY BONDS ARE OVERT BY PIKE COUNTY
YAZOO CITY, Miss., Sept. 20. (Sp.)—Bonds to the amount of \$35,000 have been authorized by the taxpayers of Pike county, Mississippi, for the construction and equipment of an administration building and an additional dormitory for the Pike county agricultural high school at Summit, Miss. The bonds were purchased by the Interstate Bank and Trust company of New Orleans, but the purchaser declined the bonds for the reason that the advertisement did not provide that the bonds would be payable after five years, at the option of the county. The bonds will be re-sold on Oct. 6.

Activities Among Memphis Negroes

By Rev. T. O. Fuller.

"Mrs. W. A. Townsend will have charge of the department of vocal music and voice culture of Howe this year. She is a most valuable addition to the faculty.

There will be an entertainment at Salem Baptist church Tuesday night, Sept. 29, in honor of the pastor, Rev. R. H. Roberts. A special musical program will be presented.

There was a large and enthusiastic meeting of women at the Tabernacle Baptist church Monday afternoon. Several strong addresses were delivered.

President Nannie H. Burroughs of Lincoln Heights, Washington, D. C., is expected to visit Memphis in the near future.

The Tansey-Brook Music company is one of the latest business enterprises to open in Memphis among our people. Their office is at 313 Beale avenue. They handle a number of original productions.

Cornelia P. Johnson, of Columbia, Tenn., has accepted the chair of higher mathematics at Howe institute. She is a college graduate from Hartshorn and Virginia Union universities, Richmond, Va.

Dora M. Glover has returned from a very pleasant visit to Chicago and Nashville, where she spent the time with

CLEVELAND ISSUE FOR SCHOOL BONDS CARRIES

CLEVELAND, Miss., Sept. 20. (Sp.)—The special election held for the purpose of authorizing the issuance of \$50,000 worth of bonds to supplement the \$100,000 bond issue recently voted for the purpose of rebuilding the Cleveland high school building which was destroyed by fire last spring, was carried unanimously.

This will give Cleveland one of the best high school buildings in the state to house the high school, which is second to none in the state. Besides the splendid high school the Bolivar county agricultural high school which is in the front rank of the agricultural schools of the state, is located at Cleveland, thus giving the town educational advantages enjoyed by few towns in the state.

Rev. Chas. H. Childers is pastor of the Union Baptist church No. 1, Gilmore, Ark. He has just closed his revival and baptized 15 converts. Gilmore is a live and prosperous little town.

Corp. W. H. Cockrell has returned from a visit to East Arkansas and reports the crops in good condition.

Prof. J. R. Glover preached an able sermon at the Cane Creek Baptist church, which Rev. E. H. Hershaw is pastor Sunday morning.

Royal Circle of Friends turned out at Union Baptist church No. 2. The attendance was large and the program interesting.

VIRGINIA TOWNS SUFFERS BIG \$50,000 BLAZE
BRISTOL, Tenn., Sept. 20. (Sp.)—Fire of unknown origin broke out Monday in the business district of Appalachia, Va., and destroyed two wholesale houses, a motion picture palace, a barber shop, a restaurant, and had damaged the Hotel Windsor. The loss is estimated at \$50,000.

Large audience hears Dr. Lewis

A large and interested audience heard the Rev. E. S. Lewis, of Greenville, Miss., preach Monday night on "Clearing the Way for the Kingdom," his first sermon of a series of revival services he is conducting at the Madison Heights Methodist church, Mr. Lewis is the brother of the Rev. T. W. Lewis, pastor of the church. The song service, lead by Clarence Banning, of the Character Builders Bible class, was of unusual interest.

Tuesday morning at 10:30 o'clock Mr. Lewis took his boys and girls to school and made a very impressive talk. Evening services begin at 8 o'clock.
